Sentence Map

One sentence, every part labelled. Word classes are above the words; the groups of words they build are underneath.

The big picture

FIRST IDEA - CAPITAL LETTER AT THE START	JOINING WORD	SECOND IDEA - FULL STOP AT THE END
The little puppy ran to the park	and	jumped in a big puddle.

Two ideas, joined with **and** into one sentence. It starts with a **capital letter** and ends with a **full stop**.

Sentence Map: the key

Words: what each label means

Naming word (noun)
a person, animal, place or thing

Doing word (verb)
what someone or something does

Describing word (adjective)
what a naming word is like

Joining word
"and" joins two ideas

Groups of words: what each bracket means

Idea
a group of words that tells you something, e.g. *the little puppy ran to the park*

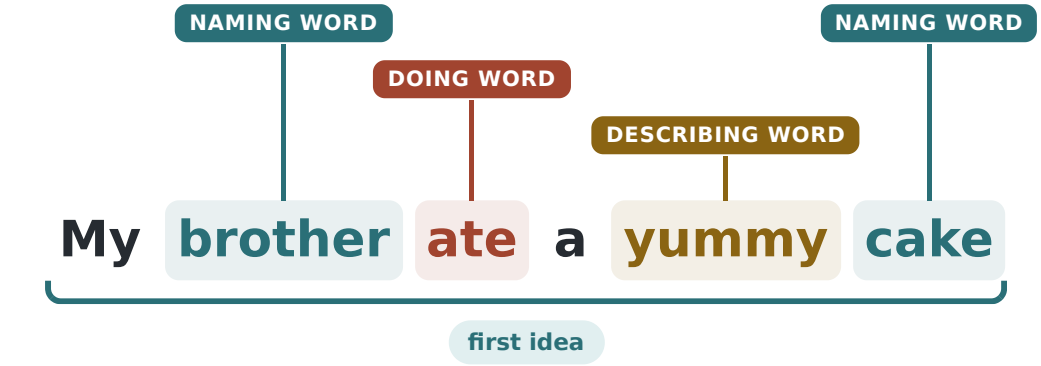

Capital letter
starts every sentence, and names like *Sam* and the word *I*

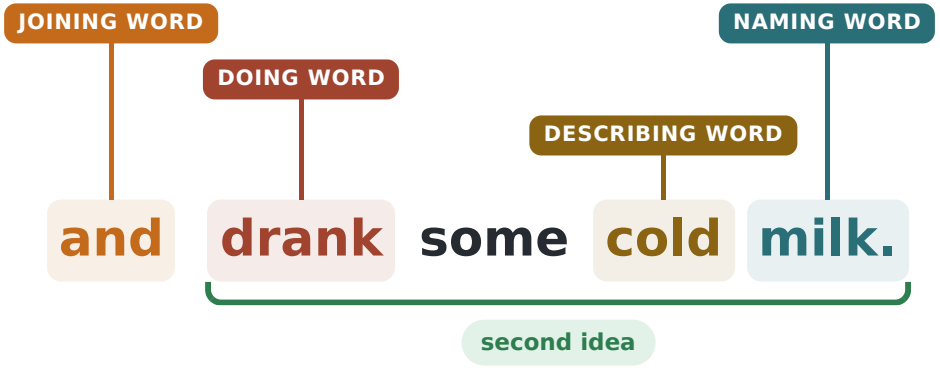

Full stop
ends a telling sentence. Questions end with ? and loud or sudden ones with !

How to use this: read the sentence together and point to each colour. Then try making your own sentence with a describing word and **and**.

Sentence Map: a second example

A second sentence built the same way, so you can spot the pattern.

The big picture

FIRST IDEA - CAPITAL LETTER AT THE START	JOINING WORD	SECOND IDEA - FULL STOP AT THE END
My brother ate a yummy cake	and	drank some cold milk.

Same pattern: a naming word, a doing word, and **and** to join two ideas together.
