

Online Safety

Bronze

These questions cover staying safe online, and what to do if something online feels wrong - an important part of the Year 3 computing curriculum.

Name: _____ Date: _____

Section A: Staying Safe

1. Should you share your home address with someone you only know online?

2. What should you do if a website or game makes you feel uncomfortable?

3. Name one type of personal information you should keep private online.

4. Who is a trusted adult you could talk to if something online worried you?

5. Is everything you read on the internet always true?

Section B: Being Kind Online

1. Why is it important to be kind in online messages, just like in person?

2. What should you do if you see someone being unkind to another person online?

3. Should you pretend to be someone else online?

4. Why might a screen time break be a good idea sometimes?

5. Name one rule your family has about using the internet or screens.
