

Online Safety

Gold

These Gold questions require reasoning through online safety scenarios and explaining consequences.

Name: _____ Date: _____

Section A: Scenario Reasoning

1. A friend online you've never met in person asks for your address to send a gift. Explain what you should do and why.

2. Explain why something posted online can be very difficult to fully remove, even if you delete it.

3. Why might someone pretend to be a different age online, and why is this a safety concern?

4. Explain the difference between healthy screen time and screen time that might be a problem.

5. A game chat message makes you feel uncomfortable. Explain the steps you should take.

Section B: Digital Responsibility

1. Explain why being kind online matters just as much as being kind in person, even though you can't see the other person's reaction.

2. Why might something that seems like a joke online actually hurt someone's feelings?

3. Explain why it's important to check if information online is true before believing or sharing it.

4. Why do families and schools set rules about screen time and online use?

5. Explain how you could help a friend who told you they were being unkindly treated online.
