

Online Safety

Silver

These Silver questions extend online safety knowledge to explaining reasons and handling tricky situations.

Name: _____ Date: _____

Section A: Understanding Risks

1. Explain why you shouldn't share your full name and school online.

2. Why might someone online not be who they say they are?

3. Explain what to do if a stranger online asks to meet up in person.

4. Why is it risky to click links from people or messages you don't recognise?

5. Explain why some games or apps have age limits.

Section B: Making Good Choices

1. Explain why it's a good idea to tell a trusted adult about something that worried you online, even if you think you'll get in trouble.

2. Why might taking regular breaks from screens be good for you?

3. Explain the difference between a helpful comment and an unkind one online.

4. Why should you think before posting a photo or comment online?

5. Explain what "private" settings on an account are for.
