

UK Counties & Cities

Silver

These Silver questions extend UK locational knowledge to comparing regions and explaining features.

Name: _____ Date: _____

Section A: Nations & Regions

1. Name a sea or ocean that borders each side of the UK (north, south, east, west).

2. Explain one difference between a city and a county.

3. Name one county in the south of England and one in the north.

4. Why might Scotland's geography (mountains, lochs) be different from southern England's?

5. Name the strait or channel that separates the UK from mainland Europe.

Section B: Cities & Features

1. Name two major UK cities and the countries they are in.

2. Explain why London became such an important city.

3. Name one famous UK landmark and where it is located.

4. Why might a city grow up near a river or coastline?

5. Explain the difference between a capital city and other major cities.
