Determiners - Answers

Answer Key

Section A: Explain and Correct

1. "I saw an owl in an oak tree."
2. "Those books on the shelf are mine." ("Them" is a pronoun, not a determiner.)
3. "Hour" starts with a vowel sound because the h is silent; "horse" starts with an h sound, so it takes "a".
4. e.g. "Which coat is yours?" ("which" comes before the noun "coat")
5. "Every" means all of the pupils, one by one; "some" means only part of the group.

Section B: Write Your Own

1. e.g. "Those trainers are in my bag."
2. e.g. "Several people ate two slices of cake."
3. e.g. "Her coat is red." (determiner) / "I gave the book to her." (pronoun)
4. e.g. "the scruffy dog with muddy paws"
5. "Both", "three", "that"
