

Reading Comprehension - Answers

Answer Key

Answers

1. Never - she had never seen the sea before
2. "grey-blue and endless"
3. It suggests something is stretching or moving, in this case the waves
4. Accept any reasonable answer, e.g. she is completely absorbed in the view and too excited to focus on anything else
5. Excited/amazed - accept answers referencing her pressing her face to the window and imagining running on the sand as evidence
